

Waukee Betterment Foundation

The Waukee Betterment Foundation is excited to continue our annual grant making program! We've been working diligently to grow our endowment fund over the last several years and are proud to have exceeded our initial \$100,000 fund goal and have been awarding grants to other local nonprofits since 2020.

Each year, the Foundation is able to provide grants representing up to 5% of the fund balance at the end of the previous calendar year. As the fund continues to grow, so will the grant amounts. This year, we have up to \$6,500 designated to give back to the community!

Eligible Waukee Betterment Foundation grant recipients are 501(c)(3) nonprofit organizations directly impacting Waukee. An application must be completed and submitted between July 1 and August 15 to be considered for this year's cycle. Grants will be announced and awarded in October.

Completed applications may be sent to **waukeefoundation@gmail.com** or mailed to:
